

## INVITATION

Dear Colleague

Paediatric Endocrine Society of Bangladesh from its inception has been working hard more than a decade with the objective to improve and promote overall care in the field of Paediatric Endocrinology of the Country.

It is our immense pleasure to inform you that the 4th International Scientific Conference of Paediatric Endocrine Society of Bangladesh (PESB) is going to be held on December 10, 2025 at Shaheed Abu Sayed International Convention Centre, Shahbagh, Dhaka, Bangladesh.

The theme of the conference has been selected as "Bridging Gaps and Enhancing the Access to Paediatric Endocrine Care" which reflects the concern of endocrine problems in children of our country.

This conference will be a great opportunity for the delegates to enjoy deliberations of eminent speakers from home and abroad. The scientific sessions will be designed to meet the challenges of different aspects of endocrine problems in children of Bangladesh.

There will also be a preconference workshop on "Thyroid Disorders in Children".

The delegates will be truly benefitted from different scientific presentations of the conference.
